Experience

Primewayz Pvt Ltd ,Noida *Jr. Software Engineer* **July 2024 - Present**

- Developed secure authentication systems using Spring Boot and MySQL with robust user validation.
- Built and deployed REST APIs with comprehensive input validation using AJAX and Spring Data JPA
- Designed modular UI components using Thymeleaf templates with fragment support for enhanced code reusability.
- Implemented dynamic form handling with real-time data display through optimized SQL queries.
- Created responsive loading screens using JavaFX Maven for improved user experience during data processing.
- Researched and implemented printing functionality to interface with hardware (Thermal Printer) for food orders, KOT and receipts.

GLA University ,Mathura *Web development bootcamp* **June 2022 – Feb 2023**

- Completed a value-added course focused on modern web development fundamentals.
- Gained hands-on experience building responsive and interactive UI using HTML, CSS and JavaScript.
- Developed mini projects focused on user-friendly interface design and fronted functionality.

TechnicalSkills

- **Programming Languages:** Java, SQL, HTML, CSS
- **Core Concepts:** Data Structures and Algorithms, Object-Oriented Programming (OOP), Database Management System, Operating System
- **Frameworks:** SpringBoot, SpringData JPA, SpringSecurity.
- **Technologies:** Node.js, REST APIs
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** Jira, Kanboard Git & Github, AndroidStudio, VSCode, IntelliJIdea.

Projects

- **Restaurant Management System:-** Spring Boot application with MySQL integration, real-time data processing, and role-based access control.
- **Online Compiler :** - Built using CodeMirror and CompileX library, supporting multiple language and user input.
- **Word Counter Web App :** - Implemented live content analysis using JavaScript and DOM for real-time interaction.
- **Portfolio Website :-** Developed a responsive portfolio using React, Tailwind CSS, GSAP, and Lenis, featuring animated sections and twilio-based email service.

Education

- **B.Tech in Computer Science and Engineering** **2020-2024**
GLA University, Mathura, UttarPradesh
- **Senior School Certificate Examination (XII)** **2018-2019**
Ewing Christian School, Prayagraj, UttarPradesh

Certifications

- Postman APIs testing
- AWS cloud part practitioner
- JOVAC Web Development

Achievements

- **Leadership:** General Secretary - Led technical events, demonstrated project management and team collaboration skills.
- **Recognition:** Featured on Doordarshan National Channel at IIT Roorkee's Thomso Festival
