📍 Noida

SUMMARY

I am Prakhar Srivastava, a 2024 BTech graduate in Computer Science and Engineering from GLA University with a strong foundation in frontend development and proficiency in Java. I am passionate about building efficient, scalable, and user-friendly web applications. During my academics, I served as the General Secretary, honing my leadership and organizational skills. As a fresher, I bring adaptability, and a willingness to learn new technologies to deliver innovative solutions. I am eager to apply my technical knowledge and problem-solving abilities to create impactful digital solutions.

EXPERIENCE

Trainee Java Developer
Primewayz Infotech Pvt. Ltd.
📅 10/2024 - Present   📍 Noida, Uttar Pradesh, India
- Developing a self-service kiosk application using JavaFX for the frontend and MERN stack.

Job Oriented Value-Added Course on Web Development Bootcamp
GLA University   📅 06/2022 - 07/2022   📍 Noida, India
